Dear Sir or Madam:

Please send information regarding your Research Grants to me  
at the following address:

Patricia Dubos  
Fund Source Specialist  
The Research Foundation, Box U-133  
University of Connecticut  
Storrs, CT 06268

Would you also provide sets of application forms (three sets  
would be most helpful, but we appreciate having whatever is  
convenient for your office to send), and an updated list of  
deadlines for the coming year. Please add us to your permanent  
mailing list as well.

Thank you.

Sincerely yours,

*Patricia Dubos*
